

Drinks

Coffee

All our decaf coffee is made from naturally treated Bourbon and Catuai arabica coffee beans - the caffeine has been removed in a gentle, 100% chemical free Swiss Water Process. Our Classic Brazilian coffee is flavourful with notes of nuts, caramel or milk chocolate - enjoy it, because Taste is more than a kick! ☺

Delicious, healthy and nutritious

Holigans: Beneficial food to fill you with joy!

• I am good to my body because here I eat beneficial, full-filling meals which is fresh and made from highest quality organic food products. Here I won't find any food stabilisers, intoxicants, white sugar, hydrogenation oil's or flavour enhancers.

• I am good to myself because CLEAN and BENEFICIAL food gives the power to turn my dream into reality.

• I am good to surrounding others, because I am happy when everyone is joyful. I love animals. I spend time with them, they are my friends. I consume wheat, legumes, milk products, vegetables, nuts, fruits. Meals here are prepared to satisfy vegetarians and vegans but ANYONE can enjoy them!

• I am good to environment because I consume with conscious.

I am good because the good always wins.

Feel the happiness with every bite you take - did you noticed that with each bite it is different although we are eating from the same plate?
